## Dedication

We, the Seniors of Eagle Rock High, in order to show our appreciation for her whole-hearted support and guidance, establish lasting friendships, insure the keeping of fond memories, provide the knowledge that she, more than any other individual, has helped to bring our class together in harmonious unity, and utilize our right to make these things known, do ordain and establish this dedication of THE EAGLE of 1956 to Mrs. Kathleen Lowman.

Now the world may seem a pleasant symphony. Beyond, the very young will find some cacophony.

Motto . . . "Climb, Tho' The Rocks  
Be Rugged"

In the year of our Lord 1951, we ventured into High School feeling we were a Lucky Strike, that is, we were lucky to get there.

As Freshmen, we were as green as a young field of growing tobacco and with our tender greenness we learned our lesson the hard way.

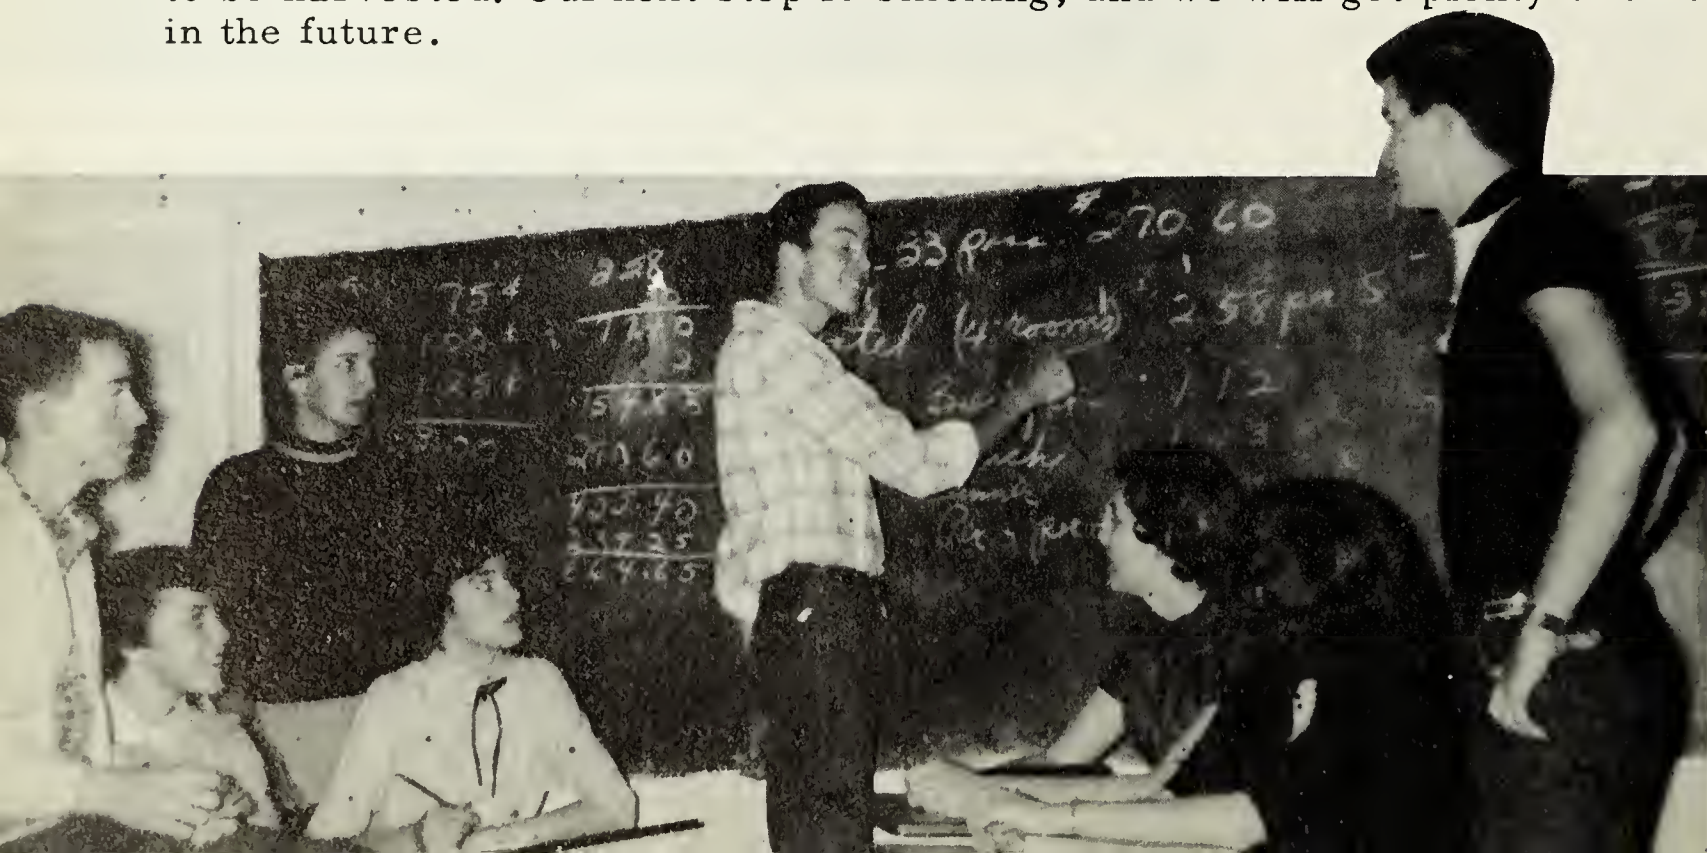

With the increased growth we had acquired as Freshmen, in our Sophomore year we developed in coloring to a pale yellow, but lacked the proper aging to achieve maturity.

Then as Juniors, we turned golden with age and thus showed signs of being a good crop. Then growth of ideas hit us like falling rain. The first was the Washington Trip and the second was the Junior-Senior Prom. The Prom along with our Junior play gave us the light coloring of good tobacco.

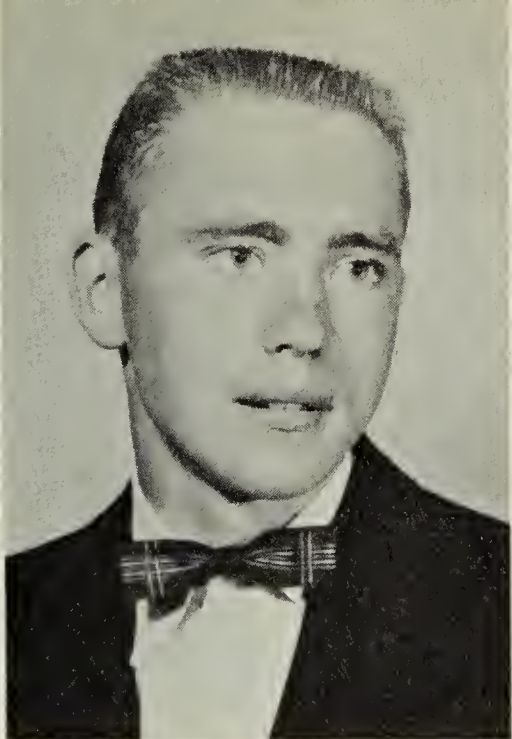

As Seniors, we really hoed a hard row to get top price for the Washington trip. Square dances, the Senior play, chancing off cakes, and magazine sales increased our cash value. With the top prices for being "Sold American", off we went to Washington to burn up the town. Scarcely were we on home soil when the younger crop gave us a Prom.

Ripening went so fast! Before we knew it, it was time for harvest, the time of graduation.

Through these four years, we have turned from green to pale yellow, and finally, with proper aging and experience, to a golden brown, ready to be harvested. Our next step is smoking, and we will get plenty of that in the future.

# Juniors

We realize that we, the Juniors of E.R.H.S. are no longer the young saplings who are just entering the early stages of maturity, but are thriving young trees who have almost completed our fourth annual ring of growth.

There are twenty-eight, of us in all, including the tree on which we depend for guidance straight and strong, Mr. Mason.

This year was a busy one. Most of our time was spent in making our stand more secure by digging our roots deeper into the richness of such projects as square dances, selling vanilla and homemade candy. The project building the most sap for our growing limbs was our Junior play, "Who's A Sissy?".

To make far more harmony in the forces of nature, here at E.R.H.S. we really wiggled our branches at the Prom which we gave the Seniors in the spring.

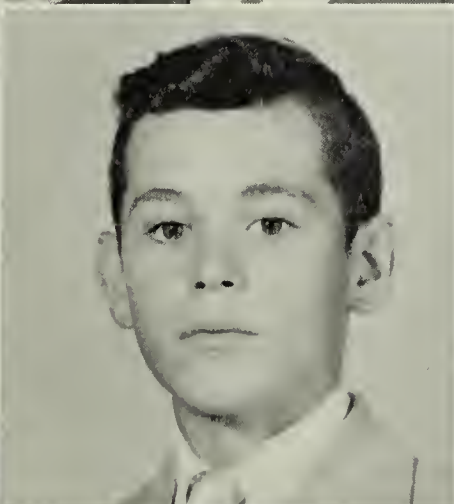

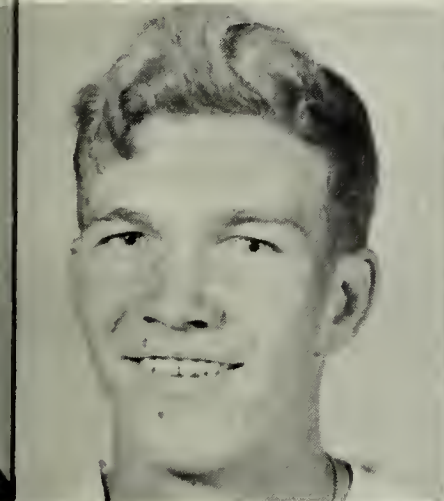

Oh, it was all great fun, but we are aware that our growing pains are about to end and we will soon complete our fifth and final annual ring.

SENIORS: Benny Perry, Ronald Wright. JUNIORS: Grace Linkenhoker, Anita Reynolds. SOPHOMORES: George Ed Honts, Mary Lou Myers. FRESHMEN: Sylvia Stinnet, Betty Alexander, Carolyn Bradley. EIGHTH GRADE: Judith Hayslett, Earl Haymaker. SIXTH and SEVENTH GRADE: Jane Reynolds, Charles Deisher.

To develop in our school the kind of students who are worthy citizens of the school, community, nations and world in which they live, we, the S.C.A. under the leadership of Joyce McClung, President; O.L. Persinger, Vice President; Armeda McClung, Secretary, Treasurer; Judy Persinger, Reporter, and Mr. H.R. Graham, adviser, chose some worthwhile projects and activities. Among our projects was the purchase of a new speakers stand for the school and the sponsorships of American Education Week.

In February our school improvement campaign began and in March we sent two delegates and a sponsor to the State Convention.

Five of our members and our sponsor attended the district meeting in Clifton Forge in November.

To encourage donations for the Polio Foundation, we sponsored an assembly on the ways to combat polio.

# Beta Club

The National Beta Club is a leadership service organized for high school students. It was founded to stimulate effort, reward achievement, and to encourage and assist its members in continuing to further their education after high school.

Membership was based on good mentality and character, creditable achievement, and commendable attitude.

Under the guidance of our sponsor, Mr. W.B. Mason, the first Beta Club organization here at Eagle Rock completed several projects throughout the year. Among these projects were fixing baskets for needy families at Christmas and sponsoring a talent show in early spring.

In March, ten members attended the State Beta Club Convention in Richmond.

To round off our activities, we edited and published school handbooks which we issued to the students of Eagle Rock High School.

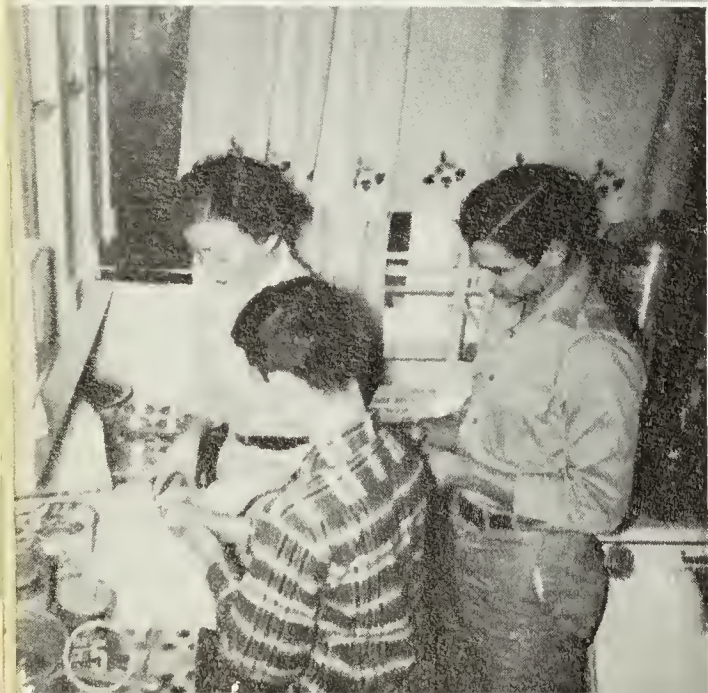

STANDING, OFFICERS, LEFT to RIGHT: Phyllis Patterson, Reporter; Iris Van Ness, Treasurer; Mr. Mason, Sponsor; George Ed Honts, President; Margaret Mae Shores, Secretary; Betty Ruth Smith, Vice-President. L. Persinger.

Out of this "Enchanted Cottage" come the hardworking future homemakers. Here our natures become more domestic and our horizons broadened. Numerous projects were completed, spurred on by able officers and sponsorship. Pictured on these pages you will find them, along with some other members, looking interested. These are President Iris Vanness, Vice-President Gladys Hambrick, Secretary Mary Myers, Treasurer Ella M. Campbel, Reporter Bonnie Simmond, Parliamentarian Armeda McClung, Historian Judy Sullender, and Adviser, Mrs. Nelda Vaughn. Some of our accomplishments may

be seen from left to right, top and bottom. (1) The committee chairman discuss programs and federation work with the VEEP. Proud to report Mary Myers and Janet Scruggs made Federation officers for '56. (2) National Education Week committee women talk it over. (3) Big fall event for FFA - FHA: the Farm and Home Show. ## F.F.A. Creed

I believe in the future of farming, with a faith born not of words but of deeds - achievements won by the present and past generations of farmers; in the promise of better days through better ways, even as the better things we now enjoy have come up to us from the struggles of former years.

I believe that to live and work on a good farm is pleasant as well as challenging; for I know the joys and discomforts of farm life and hold an inborn fondness for those associations which, even in hours of discouragement, I cannot deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure, and in the ability of organized farmers to serve our own and the public interest in marketing the product of our toil. I believe we can safeguard those right against practices and policies that are unfair.

I believe in less dependence on begging and more power in bargaining; in the life abundant and enough honest wealth to help make it so - for others as well as myself; in less need for charity and more of it when needed; in being happy myself and playing square with those whose happiness depends upon me.

I believe that rural America can and will hold true to the best traditions in our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.

This year for the first time we have in our school the F.T.A. Club. The members named it the Mary McClung Chapter after its organizer, Mrs. Mary McClung.

It is the third F.T.A. Club in Botetourt County.

As you may guess, the purpose of this club is to interest students in teaching and to give them practical experience so that they will understand the duties of a teacher and can decide before entering college if they care to become a teacher. In the club the National need for teachers was emphasized as well as the satisfaction derived from this career.

September 23-In the season opener, Eagle Rock traveled over to Salem to play the stubborn Andrew Lewis Jv's. The Eagles tied them 7-7 as "Moose" McCoy scored the lone tally.

September 30-When Eagle Rock Played Valley, the Hornets gave the Eagles a sound 34-6 beating. Valley had the weight and experience in their favor. Ray McCoy became the first man to score against Valley this season.

October 8-The Eagles met the powerhouse Troutville eleven under the lights. The Warriors smothered us 26-6 as Jack Lemon made the lone score from 23 yards out.

October 21-Fullback Clyde Gibson and Jack Lemon had a field day with Natural Bridge Boys Camp at Eagle Rock. Gibson threw 5 TD passes and scored another while Lemon scored three and aeriled two more as the home club romped over Natural Bridge 45-15.

October 26-Eagle Rock met William Fleming Jv's. of Roanoke. Lemon ran 75,45,19 yards for three consecutive TD's. The Eagles defense and blocking was excellent.

November 2-The Eagles took to the air as they beat Dunlap High 12-6 with Bill Bayne snagging two flings from Lemon for the only Eagle Rock score.

November 7-In the Eagle-Bedford Jv's tilt under the lights, Eagle Rock was riddled with injuries, but managed to tie the score 7-7 as Ray McCoy made a 15 tally.

Thus the Eagles had their first victorious season since '51 as they finished with a 3-2-2 record. As a reward to the team for their playing such fine football during the season, Coach McDowell set the entire team up to a steak dinner.

## Girls' Basketball

Without much trouble, the Eagles finished their '56 district season with 16 wins and no losses. The Eaglets were a well-balanced team with their quick-hitting forwards and tall, agile guards.

The offense was centered around Lorain Dudley who averaged 20.5 points per game. Her team-mates were Armeda McClung, who replaced Alton Montgomery as the season progressed and Gretchen Lemon.

No team is complete without a defensive unit. The starting guards, Nellie Clutter and Helen Musser, who were co-captains, and Anita Reynolds held down the opponents all season, while the forwards racked in the points.

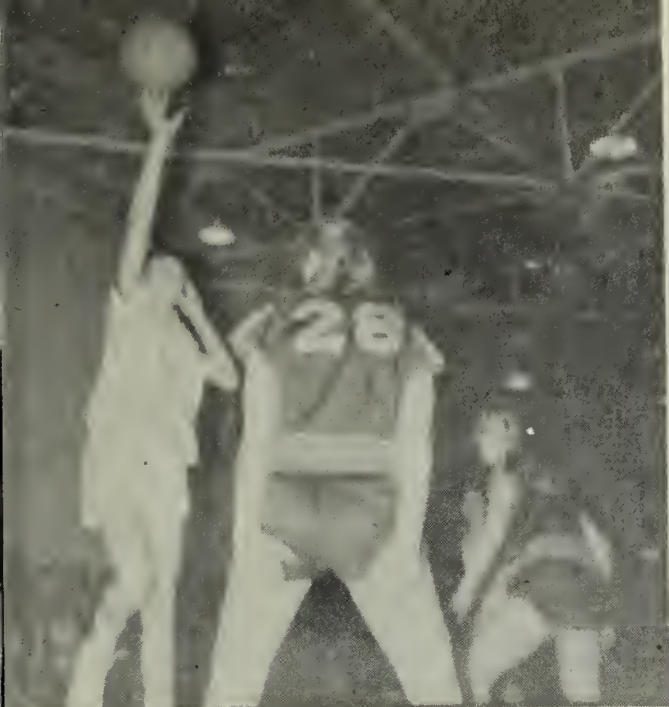

The girls were tied all season in first place with Brownsburg, who also held their record spotless; but the Eaglets streaked by them with a doubled, score clinching their fourth straight District O Championship.

Not only did the girls win the championship for the fourth year successively, E.R.H S won the Sportsmanship Award for the same number of years. Of this achievements we are very proud!

# Baseball

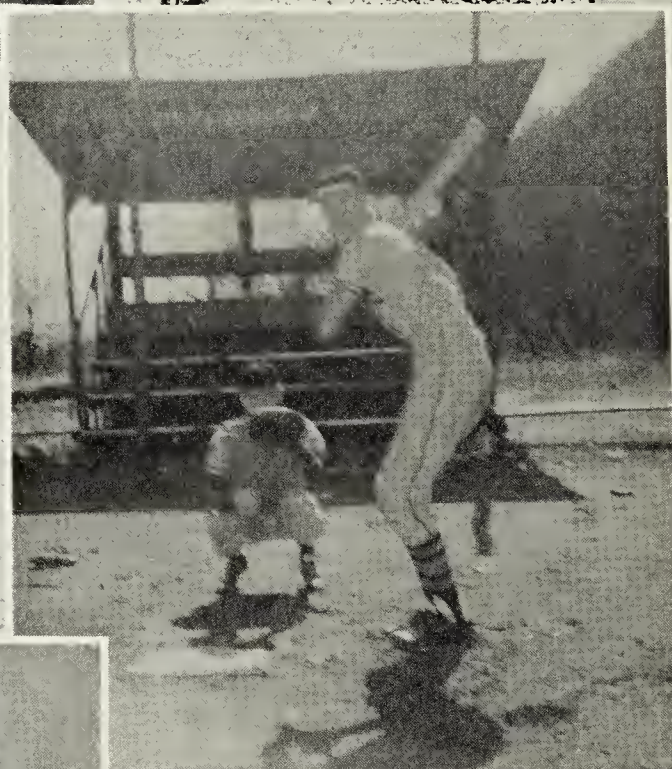

Returning Squad

(Above) Coach James McDowell. (Below) 3B Ray Thurston, P. Benny Peery, 1B Lewis Riddlebarger.

S.S. Larry Bradley, 2B, Jack Lemon

C. Ray McCoy, O.F. Joe King.

These seven boys comprised the core of the '56 baseball team. The Eagles were handicapped somewhat by the loss of their top-hitters and battery-mates. The Eagles had strength in their infield as three starters returned to this year's squad. The Eagles' hitting was much stronger than expected this season.

## The Eagle

Nature. . .the trees, the skies, nature. . .the wind, the rain, the sun by day, the moon by night, nature. . .a laughing child, a chirping bird. . .that's nature, the indefinable. . .nature as we know and see it every single day of our lives.

Because of its infinite possibilities, we chose nature to picture us and our environment here, at Eagle Rock High School; and we could not have chosen a more adaptable, a more fitting, or a more convenient theme. We have attempted to apply it to the activities around which our year-book is built.

Throughout the year we were very much occupied in making our financial status secure. In order to help balance our budget, the staff sold refreshments at school basketball games and sponsored a "Winter Carnival" Dance.

When the last pages had been sent in, we looked at each other and smiled with pride. We were proud . . . proud of the work, struggles, creation, alteration, definitely of fun, and--proud of our yearbook! Perhaps we shouldn't say that; but, oh, well. . . after all, it's human nature!
